Re: Request for Financial Commitment Extension 1130.730
Project #16-042, Fresenius Kidney Care Paris Community
Permit Holder: Fresenius Medical Care Paris, LLC, and Fresenius Medical Care Holdings, Inc.

Dear Ms. Avery:

Fresenius Medical Care Paris, LLC is seeking a Financial Commitment Extension for Fresenius Kidney Care Paris Community. Enclosed is a \$500.00 extension fee. There has been no change to the size and scope of this project since the granted alteration approval dated October 12, 2017. The requested financial commitment date is September 30, 2019.

This project is for the establishment of an 8-station ESRD facility on the campus of Paris Community Hospital. Lease negotiations for the leased space the ESRD facility will occupy were stalled while the Hospital was in the planning process for their own renovations. Hospital plans are now complete and lease negotiations for the facility are underway. The lease is not likely to be executed by the current deadline of September 30, 2018, therefore an extension is being requested.

There have been no costs to this project so far. The financial resources to fund the project are available and the project's cost, scope, design, square footage, number of stations are compliant with that which the State Board has approved.

**FRESENIUS
KIDNEY CARE**

A permit renewal request is also being submitted along with this commitment extension request with a completion date of March 31, 2020.

Sincerely,

Lori Wright
Fresenius Medical Care
Senior CON Specialist
